

In-charge Clinical Microbiology & Immunology,
 Vice Chair Infection Control
 Laboratory Medicine and Pathology-Al Khor,
 Hamad Medical Corporation,
 PO Box 3050, Doha, Qatar.
 Phone: 0097455089594
[E-mail: drqodwin@hotmail.com](mailto:drqodwin@hotmail.com)

Dr. Godwin J Wilson M.B.B.S., M.D., F.A.G.E., D.H.A., A.D.H.A

Work Experience (including academic, clinical and administrative positions)

From	To	Place & Designation
Jan-99	Jan-02	Kasturba Medical College, Mangalore, Karnataka. Resident cum Tutor in Microbiology
Jan-02	Aug-02	Yenepoya Medical College, Mangalore, Karnataka. Tutor in Microbiology
Sep-02	May-05	Manipal College of Medical Sciences, Pokhara, Nepal. Lecturer in Microbiology
Nov-03	May-05	Manipal College of Medical Sciences, Pokhara, Nepal Assistant Medical Superintendent
May-05	Nov-05	Dhahran Eye Specialist hospital, Dhahran, Saudi Arabia Specialist Medical Microbiology
Dec-05	Apr-07	Dhahran Eye Specialist hospital, Dhahran, Saudi Arabia (2 year contract) Head of the Department, Laboratory Services
Mar-07	Till date	Laboratory Medicine and Pathology, Al Khor Hospital, Hamad Medical Corporation, JCI Re-Accredited Hospital, Doha, Qatar College of American Pathologist Accredited Laboratory Specialist In charge Clinical Microbiology Vice chairman, Infection control Al Khor Hospital
Oct-09	Till date	Weill Cornell Medical College, Cornell University Instructor in Clinical Pathology and Laboratory Medicine
Jan-14	Till date	I-TECH/University of Washington, Department of Global Health Laboratory Leadership & Management Certificate Program Mentor

Education and Qualification

From	To	Institution and Degree
1991	1998	J.J.M Medical College, Davangere, Karnataka. M.B.B.S (Bachelor of Medicine and Bachelor of surgery)
Jan-98	Jan-99	Indian Hospital Association New Delhi (A Member International hospital Federation, London) D.H.A (Diploma in Hospital Administration)
Jan-99	Jun-99	Institute of Health Care Administration, Chennai, India. A.D.H.A (Advanced Diploma in Hospital Administration)

Jan-99	Jan-02	Kasturba Medical College Mangalore, Karnataka. M.D. (Doctor of Medicine) in Clinical Microbiology
--------	--------	---

Professional Membership(MEM), Fellowship(FEL), Certification(CERT) and Licensure(LIC)

Dated	Number	Type	Association
29-Dec-00	29190	LIC	Medical Council of India
9-Oct-98	50790	LIC	Karnataka Medical Council, India
19/7/2006	79383	LIC	Tamil Nadu Medical Council, India
1-Oct-03	LM 1270/03	MEM	Indian Association of Medical Microbiologists (IAMM)
21-Dec-00	9018	FEL	Fellow of Academy of General Education
1-Nov-98	101/11/98	MEM	Indian Hospital Association
10-May-02	33130	CERT	Certificate of Good standing
	22568	MEM	European Society of Clinical microbiology and Infectious diseases
	ASM 56439292	MEM	American Society of Microbiology (ASM)
	158004	MEM	AACC
		MEM	Community and Hospital Infection Control Association, Canada CHICA
3-Feb-07	07-K-M-4855	LIC	Saudi council of health specialities, Dammam, Saudi Arabia
21-Jun-09	3993	LIC	Supreme council for Health, State of Qatar.

Accreditation & Award

Awarded Diploma in Hospital Administration (DHA) in First Division Indian Hospital Association, New Delhi (A member of International Hospital Federation, London).

Awarded Advanced Diploma in Hospital Administration (ADHA) in First Division, Institute of Health Care Administration, Chennai, India.

Appointed as the Chief Superintendent for the Distance Education (Allied Health Sciences) of Manipal Academy of higher Education (MAHE) in March 2004.

Certificate of appreciation, Dhahran Eye Specialist Hospital for contributing to the establishment of the hospital by The Director, Dhahran Eye Specialist Hospital. (FEBRUARY 2006)

Educational qualifications credentialed by ECE (Educational Credential Evaluators, Inc USA) Ref: 204168/CRB on February 2006.

Awarded a plaque and certificate of Merit at the 'Stars of Excellence' program for 'Distinction in Clinical Practice' for the project entitled 'Real-time validation and presenting cumulative antibiogram using a novel in-house software ABSOFT' by the Managing Director, HMC, Doha, Qatar May 2010

Awarded a plaque and a certificate of commendation in the "Excellence in Laboratory Services" category for the 2011 Arab Health Achievement and Innovation Awards for the project entitled 'Real-time validation and presenting cumulative antibiogram using a novel in-house software ABSOFT' Dubai, UAE January 2011

Awarded a plaque and won the Healthcare IT Innovations Asia award category 1 "The Best Public/Private IT Initiative in Healthcare" at the Innovation in Healthcare Management and Informatics conference for the project entitled 'Real-time validation and presentation of the antibiogram' Kuala Lumpur, Malaysia. March 2011

Awarded Competitive Internal Research Grant by the Managing Director, in recognition of the originality and significance of the healthcare research project and the future contribution it will make to Qatar, for the proposal entitled "An automated alert system for multidrug resistant organisms in hospital locations - An indicator for patient risk and safety" Doha, Qatar April 2011

Awarded a plaque and certificate of Merit at the 'Stars of Excellence' program for 'Technological Innovation Award' for the project entitled 'Using FOCUS-PDSA tool to continuously improve the quality of in-house software of the laboratory and standardize healthcare process and outcomes' by the Managing Director, HMC, Doha, Qatar Oct 2011

Blue Ribbon Best Poster Award for "Urine Antibiotic Assay-A quality Audit" at The Annual Research Day 2012, Medical Research Center, Hamad Medical Corporation, Doha, Qatar January 2012

Awarded a plaque and a certificate of commendation in the "Roche Excellence in Laboratory Services" category for the 2011 Arab Health Achievement and Innovation Awards for the project entitled 'The Improvement of Quality in the Delivery of Microbiology Laboratory Service' Dubai, UAE January 2012

Awarded a gift and a certificate of recognition at the "1st Employee Awards Day" in honor and appreciation for outstanding performance by the CEO and Medical Director, Al Khor, Qatar February 2012

Approved Research Proposals

Research Proposal Number	Type of research	Role	Title
#8102/08	Prospective	PI	The development of real time software based solutions to analyze and present emerging drug resistance patterns: The antibiogram.
#GC 1020A	Prospective	PI	An automated alert system for multidrug resistant organisms in hospital locations - An indicator for patient risk and safety.
#8160/08	Prospective	PI	Antibiotic Screening of Urine Cultures – A useful quality audit.
#10073/10	Retrospective	PI	Epidemiology, Isolation and antimicrobial susceptibility of Shigella in Qatar
#8214/08	Retrospective	CO PI	Salem SA, Mateen M, Wilson G. Hematological and Biochemical indicators in smear positive malaria patients - a cross sectional study
#10106/10	Prospective	CO PI	Haitham MJ, Mateen M, Wilson G. Analysis of serum hepatic transaminase levels with special reference to their ratio (AST/ALT ratio) in patients with enteric fever in comparison to patients with non-enteric fever at ED Al Khor Hospital-A case control study #10106/10
#11107/11	Prospective	CO PI	Ansari N, Wilson G. Epidemiology of C. difficile isolates from patients admitted at Hamad Medical Corporation by PCR Ribotyping.
#13135/13	Retrospective	CO PI	Epidemiology of ESBL producing Enterobacteriaceae in AL Khor hospital-Qatar: A 3 year retrospective study.
NPRP 6 - 496 - 3 - 127	Prospective	CO PI	Seroepidemiology of Carriage and Pneumococcal Disease in Qatar in the Post PCV-13 Era
#13130/13	Prospective	CO PI	Molecular epidemiology of multi drug resistant (MDR) Acinetobacter baumannii isolated from patients from Hamad Medical Corporation, Qatar: A pilot Study

Co lead and Subject Matter Expert (SME) Microbiology in Cerner Implementation since 2012 - TILL DATE

Clinical Transformation, Change Management Lead CIS - AL KHOR HOSPITAL 2013 - Till date

Super User - Pathnet/Micronet CIS - AL KHOR HOSPITAL 2013 - Till date

CAP Inspector and Team Member

Workshops and Training attended
